1           AMANDA WARD: My name is Amanda Ward, Amanda  
2           Ward. I've been a resident of Reno, Nevada for 20 of my  
3           21 years. Home means Nevada to me, home will always be  
4           Nevada to me, and I would like to have children someday,  
5           and I would like for those children to be able to say  
6           that home means Nevada to them.  
7           Thank you very much.
